Superintendent's Guideline No. 07/07

## **Health Claims for Auto Insurance Guideline**

### **Introduction**

This Guideline replaces the Health Claims for Auto Insurance Rollout Guideline No. 01/07 issued in April 2007, and is issued pursuant to s. 268.3 (1) of the *Insurance Act* for the purposes of ss. 44.1 (1) and 68 (3.2) of the *Statutory Accident Benefits Schedule - Accidents on or After November 1, 1996* (SABS) as amended by Regulation 533/06.

The SABS amendments change the way that some SABS claim documents are to be sent to insurers in some circumstances. A document to which this Guideline applies and that previously would have been sent directly to an insurer to whom this Guideline applies is instead to be sent to a Central Processing Agency (CPA) established by the insurance industry to receive such documents on behalf of insurers. This Guideline describes:

- which insurers, health care facilities ("facilities") and health care providers ("providers") are subject to the Guideline and in what circumstances,
- what documents are to be delivered to the CPA and in what circumstances,
- how such documents may be delivered to the CPA, and
- how insurers are to provide information to the CPA.

This Guideline applies to documents specified in this Guideline that are delivered on or after April 2, 2007, regardless of the date of the accident to which they relate.

### **Insurers and Providers That Are Subject To This Guideline**

- **On or after April 2, 2007 but before February 1, 2008:**

The Financial Services Commission of Ontario maintains and updates from time to time a list of identified insurers and facilities/providers (or specified branch offices thereof) participating in the Health Claims for Auto Insurance (HCAI) (the "HCAI Participant List") and the dates on which their participation begins. Please see Appendix 1 for details of how to obtain copies of the HCAI Participant List in effect at any particular time.

For the purposes of this Guideline:

- each specified branch office of an identified insurer is a Participating Insurer, and
- each specified branch office of an identified facility, and each provider operating in a specified branch office of an identified facility, is a Participating Provider.

This Guideline applies only to transactions between a Participating Provider and a Participating Insurer in respect of any claim for SABS benefits under a motor vehicle liability policy issued in Ontario.

• **On and after February 1, 2008:**

This Guideline applies to all insurers licensed in Ontario in respect of all claims for SABS benefits under any motor vehicle liability policy issued in Ontario. This Guideline also applies to all health care facilities and health care providers that practice in Ontario and mail or otherwise deliver, on or after February 1, 2008, any document to which this Guideline applies. For the purposes of this Guideline, each such insurer is a Participating Insurer, and each such facility and provider is a Participating Provider.

This Guideline does not apply to:

- any reinsurer in respect of claims under a contract of reinsurance,
- any insurer in respect of which a winding-up order has been made under the *Winding-up and Restructuring Act* (Canada), or
- the Motor Vehicle Accident Claims Fund.

**Designation of Central Processing Agency – SABS s. 68 (3.2)**

**Health Claims for Auto Insurance Processing** is the CPA for the purposes of this Guideline and s. 68 (3.2) of the SABS. Health Claims for Auto Insurance Processing is a not-for-profit Ontario corporation established and funded by the insurance industry and operated by a board of directors that includes representatives of the insurance industry and health care communities.

The primary role of the CPA is to act as the agent of insurers to receive specified documents on their behalf, to confirm that the documents are duly completed and contain all of the information required to be included in them, and then to make the documents available for access by the insurers to whom they are addressed. The CPA also acts as an intermediary for the purpose of enabling insurers to communicate information such as claims approval and payment decisions electronically to those health care goods and services providers who wish to receive such communications electronically through the CPA.

The CPA is also expected to be a primary source of the information that automobile insurers will be required under s. 101.1 of the *Insurance Act* to provide to the Superintendent of Financial Services concerning claims for goods and services for which automobile insurers are liable under contracts of automobile insurance.

**Invoices For Goods And Services That Are Subject To This Guideline – SABS s. 44.1**

Any invoice for goods or services specified in Appendix 2 of this Guideline for the purposes of s. 44.1 of the SABS must be in the form (the Auto Insurance Standard Invoice) approved by the Superintendent of Financial Services in accordance with s. 69 of the SABS.

This requirement applies only if:

- all of the goods or services referred to in the invoice are provided in Ontario by the Participating Provider,
- the invoice is not submitted by the claimant,
- the invoice is submitted by a Participating Provider and is payable to the Participating Provider, and
- payment of the invoice is claimed against a Participating Insurer with respect to a transaction with a Participating Provider.

Where this requirement applies, s. 44.1 (1) of the SABS prohibits a Participating Insurer from paying any invoice that is not in the approved form, does not include all of the information required by the approved form, or is not sent to the CPA as required by this Guideline.

Participating Providers are to invoice Participating Insurers for goods or services specified in Appendix 2 separately from goods or services not specified in Appendix 2. Similarly, Participating Providers are to invoice Participating Insurers for goods or services provided in Ontario separately from goods and services not provided in Ontario.

**Documents That Must Be Delivered To The CPA**

The following documents are specified for the purpose of s. 68 (3.2) of the SABS. Each such document must be delivered to the CPA (not directly to the insurer to whom it is addressed) in accordance with this Guideline if delivered by a Participating Provider to a Participating Insurer:

OCF-18	Treatment Plan - SABS s. 38
OCF-21	Auto Insurance Standard Invoice - SABS s. 44.1 – but only if this Guideline requires the use of this form for the particular goods or services being billed*
OCF-22	Application for Approval of an Assessment or Examination - SABS s. 38.2
OCF-23/198	Pre-approved Framework Treatment Confirmation Form - SABS s. 37.1

Please note that (with one exception – see \* below) a document that this Guideline does not require to be delivered to the CPA must be delivered directly to the insurer using one of the delivery methods provided for in s. 68 (2) of the SABS.

\* An OCF-21 submitted to invoice an insurer only for the completion of a Disability Certificate (OCF-3) may be delivered either to the CPA in accordance with this Guideline, or directly to the insurer, at the option of the Participating Provider.

Section 68 (3.2) of the SABS provides that a document to which this Guideline applies is deemed not to have been delivered to an insurer unless it is delivered to the CPA as required by this Guideline. If such a document is delivered directly to an insurer instead of to the CPA despite the requirements of this Guideline, the insurer is under no obligation to respond to it as the document will be deemed not to have been received by the insurer.

**How To Deliver Documents To The Central Processing Agency**

A document that is required by this Guideline to be delivered to the CPA shall be delivered in either of the following ways:

- (1) Electronic Submission, or
- (2) Paper Submission

**(1) Electronic Submission**

The document may be delivered to the CPA in electronic form in a manner that results in it being capable of being retrieved and accessed by the CPA.

Participating Providers are authorized to deliver documents to the CPA electronically as described above, and to access information electronically from the CPA, once they have completed the appropriate enrolment process (see “**Enrolment Of Users And Providers**” below).

A Participating Provider may elect to enroll for either electronic submission or paper submission, but not both at the same time.

As noted below under “**Rules Governing Date of Receipt of Documents By Insurers**”, any document delivered to the CPA by a Participating Provider that has not completed this enrolment process will be deemed not to have been received by the insurer, and will not be processed.

**(2) Paper Submission**

The CPA has established a data entry centre that is equipped to receive paper documents delivered by a Participating Provider in accordance with this Guideline on and after January 7, 2008.

On and after January 7, 2008, documents may be delivered to the CPA in paper form, by mail, fax or personal delivery in accordance with ss. 68 (2) (a), (b), (c) or (d) of the SABS, if addressed to the CPA’s data entry centre as follows:

**HCAI Processing – Data Entry Centre**  
**P.O. Box 254**  
**Orangeville, ON L9W 3Z5**  
**Fax number: (866) 346-6744**

Participating Providers are authorized to deliver documents in paper form as described above once they have completed the appropriate enrolment process (see “**Enrolment Of Users And Providers**” below).

A Participating Provider may elect to enroll for either electronic submission or paper submission, but not both at the same time.

As noted below under “**Rules Governing Date of Receipt of Documents By Insurers**”, any document delivered to the CPA’s data entry centre by a Participating Provider that has not completed this enrolment process, and any document delivered by any Participating Provider before January 7, 2008, will be deemed not to have been received by the insurer, and will not be processed.

**Attachments to Documents That Are Subject To This Guideline**

For the purposes of this Guideline, “attachments” means any material (e.g., additional pages, reports, test results) submitted in support of a document to which this Guideline applies.

If a Participating Provider determines that it is necessary to send one or more attachments rather than including in the document itself all information that the sender determines to be desirable or necessary to accomplish its purpose, the following special rules apply:

1. The Participating Provider must specify, in the field provided in the document for that purpose, how many attachments are being delivered.
2. The document itself (but not the attachments) must still be delivered to the CPA (if in electronic format) or the CPA’s data entry centre (if in paper form) as described above.
3. The attachments are not to be delivered to the CPA (or the CPA’s data entry centre), but instead must be delivered directly to the insurer by one of the delivery methods described in s. 68 (2) of the SABS. Although it is preferable that all attachments be delivered to the insurer at the same time, it is not mandatory to do so.

**Please note that any attachment delivered to the CPA or the CPA’s data entry centre will be deemed not to have been received by the insurer, and will not be returned, but will be destroyed.**

4. The attachments are not to be sent to the insurer before the document is sent to the CPA.
5. Each attachment must be identified with the claimant’s name, either of claim number or policy number, and date of accident, and with the document type (i.e., OCF-18, OCF-21, OCF-22 or OCF-23/198) to which the attachment relates, to enable the insurer to identify the document for which the attachment is intended.

**Rules Governing Date of Receipt of Documents By Insurers**

Section 68 of the SABS sets out the rules that determine when a document delivered to the CPA as required by this Guideline is deemed to be received by the insurer to whom it is addressed. Briefly summarized, those rules provide:

1. **Document with no attachments** – is deemed to be received by the insurer to whom it is addressed when the document has been delivered to the CPA in a manner specified in this Guideline, and the CPA has determined that the document is duly completed and contains all information required by the SABS to be included in it.
2. **Document with attachments** – is deemed to be received by the insurer to whom it is addressed when:
  - (a) the document (exclusive of attachments) has been delivered to the CPA in a manner specified in this Guideline, and the CPA has determined that the document is duly completed and contains all information required by the SABS to be included in it; and
  - (b) all of the attachments have been received by the insurer.

The SABS provides (s. 68 (7)) that a document delivered to the CPA by fax, personal delivery or by electronic submission later than 5:00 p.m. Eastern time is deemed to have been delivered to the CPA on the following business day.

The SABS also provides (s. 68 (3.5)) that the CPA will be deemed to have determined, on the day a document was delivered to it in a manner specified in this Guideline, that the document is duly completed and contains all information required by the SABS to be included in it unless the CPA notifies the sender to the contrary in a manner specified in this Guideline.

For the purposes of s. 68 (3.5), the manner in which the CPA is to notify the sender is by one of the delivery methods provided for in s. 68 (2) of the SABS. The CPA may also deliver the notification verbally (for example by telephone call, or by telephone message) provided written confirmation is given as soon as practicable afterwards by one of the delivery methods provided for in s. 68 (2) of the SABS.

As previously noted, the SABS further provides (s. 68 (3.2)) that a document to which this Guideline applies is deemed not to have been delivered to an insurer unless it is delivered as required by this Guideline. Any document delivered to the CPA (either directly or through its data entry centre) by a Participating Provider that has not completed the enrolment process, and any paper document delivered by any Participating Provider to the CPA's data entry centre before January 7, 2008, is not delivered as required by this Guideline and therefore shall be deemed not to have been delivered to an insurer.

### **Completion of Documents**

A document to which this Guideline applies will be deemed not to have been completed and not to contain all the information required by the SABS to be included in it unless all fields (other than those that are optional in the circumstances indicated on the form as approved by the Superintendent of Financial Services) are completed as required by this Guideline.

The information in any completed field must comply with the validation rules set out in Appendix 3 of this Guideline.

Where the form specifies the format in which certain information (e.g., a date) is to be provided, the information must be provided in that format.

If the document is delivered in paper form, all completed fields must be legible.

All attachments must be legible.

### **Codes To Be Used In Submitting Information**

The following information shall be provided utilizing the codes specified below:

- To describe injuries and sequelae, codes listed in the International Statistical Classification of Diseases and Related Health Problems, 10th Revision, Canadian Enhancement (ICD-10-CA) which is maintained by the Canadian Institute for Health Information and available through [www.cihi.ca](http://www.cihi.ca). ### **Requirements For Insurers**

Where the SABS requires a Participating Insurer to provide information to the CPA, such information shall be delivered to the CPA in electronic form in a manner that results in it being capable of being retrieved and accessed by the CPA.

The information referred to in s. 44.1 (3) of the SABS concerning the processing of an invoice must be provided to the CPA within five business days after the invoice has been processed by the Participating Insurer.

The information referred to in s. 68 (3.8) of the SABS concerning any other document to which this Guideline applies must be provided to the CPA within five business days after the document has been processed by the Participating Insurer.

The information referred to in s. 68 (3.9) of the SABS concerning receipt of attachments must be provided to the CPA within five business days after the last attachment has been received by the Participating Insurer.

The deadlines referred to above are independent of, and not to be confused with, the deadlines within which an insurer is to process and respond to a document as set out in the SABS.

A Participating Insurer that has completed the enrolment process as an Insurer (see "Enrolment of Users And Providers" below) is authorized to deliver information to the CPA electronically and to access from the CPA information that has been delivered to the CPA by a Participating Provider.

### Enrolment Of Users And Providers

Before submitting information to, or receiving information from, the CPA, a provider, facility or insurer that is a Participating Provider or Participating Insurer shall enroll with the CPA and agree to its user terms and conditions. As noted above, providers and facilities may elect to enroll for either paper submission or electronic submission, but not both at the same time. The user terms and conditions may include commercially reasonable provisions to address responsibilities including confidentiality, security, liability, access, and data integrity.

### Temporary Suspensions Of This Guideline

In the event that the CPA becomes unable (e.g., by reason of temporary technical issues) to properly carry out its obligations to providers, facilities or insurers, the Superintendent of Financial Services may temporarily suspend the operation of this Guideline.

The Financial Services Commission of Ontario will post notice of any suspension and subsequent resumption of operation of this Guideline on its website ([www.fSCO.gov.on.ca](http://www.fSCO.gov.on.ca)).

During the period of any such suspension, the requirements of this Guideline do not apply and documents are instead to be delivered directly to insurers using one of the standard delivery methods provided for in s. 68 (2) of the SABS.

Lignes directrices du surintendant n° 07/07

## Lignes directrices concernant le Système de demandes de règlement pour soins de santé liés à l'assurance-automobile

### Introduction

Ces Lignes directrices remplacent les Lignes directrices de mise en œuvre du Système de demandes de règlement pour soins de santé liés à l'assurance-automobile n° 01/07 émises en avril 2007. Elles s'appliquent en vertu du paragraphe 268.3 (1) de la *Loi sur les assurances* et aux fins des sous-sections 44.1 (1) et 68 (3.2) de l'*Annexe sur les indemnités d'accident légales – accidents survenus le 1<sup>er</sup> novembre 1996 ou après ce jour* (AIAL) telle que modifiée par le Règlement 533/06.

Les modifications à l'AIAL se rapportent aux modalités de remise de quelques formulaires de demande d'indemnités de l'AIAL envoyés dans certaines circonstances aux assureurs. Ainsi, un document visé par ces lignes directrices qui, auparavant, était envoyé à un assureur devra désormais être envoyé à un bureau central de traitement (BCT) établi par les assureurs pour recevoir ces documents en leur nom. Les Lignes directrices précisent :

- les assureurs, établissements de soins de santé (« établissements ») et fournisseurs de soins de santé (« fournisseurs ») assujettis aux Lignes directrices et dans quelles circonstances;
- les documents devant être remis au BCT et les circonstances dans lesquelles ils doivent être remis;
- la manière dont ces documents peuvent être remis au BCT;
- la manière dont les assureurs doivent fournir des renseignements au BCT.

Ces Lignes directrices s'appliquent aux documents visés qui sont remis le 2 avril 2007 ou après cette date, peu importe la date de l'accident auquel ils se rapportent.

### Assureurs et fournisseurs assujettis aux présentes Lignes directrices

- **Le 2 avril 2007 ou après cette date, mais avant le 1<sup>er</sup> février 2008 :**

La Commission des services financiers de l'Ontario conserve et tient à jour une liste des assureurs et des établissements/fournisseurs (ou des bureaux locaux de ces derniers) qui participent au Système de demandes de règlement pour soins de santé liés à l'assurance-automobile (DRSSAA) (la « liste des participants au Système DRSSAA ») et des dates de début de leur participation. Se reporter à l'annexe 1 pour savoir comment obtenir des exemplaires de la liste des participants au Système DRSSAA en vigueur à un moment donné.

Aux fins des présentes Lignes directrices :

- le bureau local d'un assureur visé est un assureur participant et

- le bureau local désigné d'un établissement identifié et le fournisseur exerçant ses activités dans un bureau local désigné d'un établissement identifié sont des fournisseurs participants.

Ces Lignes directrices s'appliquent seulement aux transactions entre un fournisseur et un assureur participant découlant d'une demande d'indemnités en vertu de l'AIAL au titre d'une police d'assurance automobile émise en Ontario.

• **Le 1<sup>er</sup> février 2008 et après cette date :**

Ces Lignes directrices s'appliquent à tous les assureurs autorisés à traiter les demandes d'indemnités en vertu de l'AIAL au titre d'une police d'assurance automobile émise en Ontario. Elles s'appliquent également à tous les établissements et fournisseurs de soins de santé qui exercent en Ontario et envoient par la poste ou remettent autrement, le 1<sup>er</sup> février 2008 ou après cette date, des documents visés par ces Lignes directrices. Aux fins des présentes Lignes directrices, chacun de ces assureurs est un assureur participant et chacun de ces établissements et de ces fournisseurs est un fournisseur participant.

Ces lignes directrices ne s'appliquent pas :

- aux réassureurs à l'égard des demandes d'indemnités en vertu d'un contrat de réassurance;
- aux réassureurs à l'égard desquels une ordonnance de liquidation a été rendue en vertu de la *Loi sur les liquidations et les restructurations* (Canada);
- au Fonds d'indemnisation des victimes d'accidents de véhicules automobiles.

**Désignation du bureau central de traitement – AIAL, par. 68 (3.2)**

**Health Claims for Auto Insurance Processing** est le bureau central de traitement aux fins des présentes Lignes directrices et du par. 68 (3.2) de l'AIAL. Health Claims for Auto Insurance Processing est une société ontarienne sans but lucratif établie et financée par l'industrie des assurances et exploitée par un conseil d'administration composé de représentants du secteur de l'assurance et du milieu de la santé.

Le rôle du BCT consiste principalement à agir en qualité d'agent pour les assureurs. Il est chargé de recevoir certains documents en leur nom, de vérifier si les documents sont dûment remplis et renferment tous les renseignements exigés et de les remettre aux assureurs auxquels ils sont adressés. Il agit également comme intermédiaire pour permettre aux assureurs de transmettre électroniquement les renseignements concernant, notamment, l'approbation des demandes et les décisions de paiement aux fournisseurs de produits et services médicaux qui souhaitent recevoir ces renseignements électroniquement par son entremise.

On s'attend également à ce que le BCT soit la source principale des renseignements que les compagnies d'assurance automobile devront, conformément à l'article 101.1 de la *Loi sur les Assurances*, fournir au Surintendant des services financiers concernant les demandes de règlement relatives aux produits et services qu'elles sont tenues de fournir en vertu des contrats d'assurance automobile.

**Factures pour les produits et services assujettis aux Lignes directrices – AIAL, art. 44.1**

Toute facture se rapportant aux produits ou services désignés à l'annexe 2 de ces Lignes directrices aux fins de l'art. 44.1 de l'AIAL doit être rédigée selon la formule (la Facture d'assurance-automobile standard) approuvée par le Surintendant des services financiers, conformément à l'article 69 de l'AIAL.

Cette exigence s'applique uniquement si :

- tous les produits ou services mentionnés sur la facture sont fournis en Ontario par le fournisseur participant,
- la facture n'est pas présentée par le demandeur,
- la facture est présentée par un fournisseur participant et est payable à ce dernier et
- le paiement de la facture réclamé à un assureur participant porte sur une transaction avec un fournisseur participant.

Lorsque cette exigence s'applique, le paragraphe 44.1 (1) de l'AIAL interdit à un assureur participant de payer une facture qui n'est pas rédigée selon la formule approuvée, ne renferme pas tous les renseignements exigés ou n'est pas envoyée au BCT comme l'exigent ces Lignes directrices.

Les fournisseurs participants doivent présenter aux assureurs participants des factures séparées pour les produits et services désignés à l'annexe 2 et les produits et services non désignés à l'annexe 2. Ils doivent également leur présenter des factures séparées pour les produits et services dispensés en Ontario et les produits et services non dispensés en Ontario.

**Documents qui doivent être remis au BCT**

Les documents suivants sont désignés aux fins du paragraphe 68 (3.2) de l'AIAL. Lorsqu'ils sont présentés par un fournisseur participant à un assureur participant, ils doivent être remis au BCT (et non pas directement à l'assureur auquel ils sont adressés) de la manière précisée dans les présentes Lignes directrices :

FDIO-18	Programme de traitement – AIAL, art. 38
FDIO-21	Facture d'assurance automobile standard – AIAL, art. 44.1 – mais seulement si ces Lignes directrices exigent l'utilisation de cette formule pour les produits et services facturés
FDIO-22	Demande d'approbation pour une évaluation ou un examen – AIAL, art. 38.2
FDIO-23/198	Confirmation du traitement selon les Lignes directrices pré autorisées – AIAL, art. 37.1

À noter que, sous réserve d'une exception (voir \* ci-après), un document dont la présentation directe au BCT n'est pas exigée par ces Lignes directrices doit être remis directement à l'assureur d'une manière précisée au paragraphe 68 (2) de l'AIAL.

\* Une facture FDIO-21 présentée à un assureur portant uniquement sur la préparation d'un Certificat d'invalidité (FDIO-3) peut être livrée au BCT conformément aux présentes Lignes directrices ou directement à l'assureur, au choix du fournisseur participant.

La sous-section 68 (3.2) de l'AIAL précise qu'un document visé par les présentes Lignes directrices est réputé non remis à l'assureur à moins d'être remis au BCT comme l'exigent les présentes Lignes directrices. Si un tel document est remis directement à un assureur, et non au BCT comme l'exigent ces Lignes directrices, l'assureur n'est pas tenu d'y répondre car il sera réputé ne pas l'avoir reçu.

### Remise des documents au bureau central de traitement

Un document dont la présentation au BCT est exigée par ces Lignes directrices doit être remis à celui-ci de deux façons :

- (1) par voie électronique
- (2) en format papier

#### (1) Présentation des documents électroniques

Un document peut être remis au BCT par voie électronique de manière à ce qu'il puisse le récupérer et le consulter.

Les fournisseurs participants sont autorisés à remettre des documents au BCT par voie électronique et à accéder aux renseignements électroniques du BCT après s'être inscrits (voir « **Inscription des utilisateurs et des fournisseurs** »).

Un fournisseur participant peut choisir de s'inscrire pour la présentation de documents électroniques ou pour la présentation de documents papier, mais il ne peut s'inscrire pour ces deux modes de présentation en même temps.

Tel que mentionné dans la section intitulée « **Règles régissant la date de réception des documents par les assureurs** », tout document remis au BCT par un fournisseur participant non inscrit sera réputé non reçu par l'assureur et ne sera pas traité.

#### (2) Présentation des documents papier

Le BCT a établi un centre de saisie des données qui pourra recevoir les documents papier remis par un fournisseur participant conformément à ces Lignes directrices le 7 janvier 2008 ou après cette date.

Le 7 janvier 2008 et après cette date, les documents pourront être remis au BCT en format papier par courrier, par télécopieur ou en personne, conformément aux alinéas 68 (2) a), b), c) ou d) de l'AIAL pourvu qu'ils soient adressés au centre de saisie des données du BCT comme suit :

**HCAI Processing - Centre de saisie des données**  
**Boîte postale 254**  
**Orangeville (Ontario) L9W 3Z5**  
**Numéro de télécopieur : (866) 346-6744**

Les fournisseurs participants sont autorisés à remettre des documents papier au BCT tel que décrit précédemment après s'être inscrits (voir « **Inscription des utilisateurs et des fournisseurs** »).

Un fournisseur participant peut choisir de s'inscrire pour la présentation de documents électroniques ou pour la présentation de documents papier, mais il ne peut s'inscrire pour ces deux modes de présentation en même temps.

Tel que mentionné dans la section intitulée « **Règles régissant la date de réception des documents par les assureurs** », un document remis au centre de saisie des données du BCT par un fournisseur participant non inscrit de même qu'un document remis par un fournisseur participant avant le 7 janvier 2008 seront réputés non reçus par l'assureur et ne seront pas traités.

#### Pièces jointes aux documents assujettis aux présentes Lignes directrices

Aux fins des présentes Lignes directrices, le terme « pièces jointes » s'entend du matériel (p. ex. pages additionnelles, rapports, résultats de tests) soumis à l'appui d'un document visé par ces Lignes directrices.

Si un fournisseur participant détermine qu'il doit envoyer une ou plusieurs pièces jointes au lieu d'inclure dans le document lui-même tous les renseignements qu'il juge désirables ou nécessaires aux fins voulues, les règles spéciales suivantes s'appliquent :

1. Le fournisseur participant doit préciser, dans le champ prévu à cette fin dans le document, le nombre de pièces jointes remises.
2. Le document lui-même (à l'exclusion des pièces jointes) doit être remis au BCT (s'il est en format électronique) ou au centre de saisie des données du BCT (s'il est en format papier), tel que décrit précédemment.
3. Les pièces jointes ne doivent pas être livrées au BCT (ni au centre de saisie des données du BCT) mais directement à l'assureur d'une manière précisée au paragraphe 68 (2) de l'AIAL. Il est préférable de remettre toutes les pièces jointes à l'assureur en même temps, mais cela n'est pas obligatoire.

**À noter que toute pièce jointe remise au BCT ou au centre de saisie des données du BCT sera réputée non reçue par l'assureur, ne sera pas retournée et sera détruite.**

4. Les pièces jointes ne doivent pas être envoyées à l'assureur avant que le document n'ait été envoyé au BCT.
5. Chaque pièce jointe doit comporter le nom du demandeur, le numéro de la demande de règlement ou le numéro de la police et la date de l'accident, ainsi que le type de document (i.e., FDIO-18, FDIO-21, FDIO-22 ou FDIO 23/198) auquel elle se rapporte, afin de permettre à l'assureur d'identifier le document auquel elle appartient.

#### Règles régissant la date de réception des documents par les assureurs

L'article 68 de l'AIAL énonce les règles qui déterminent quand un document remis au BCT, conformément à ces Lignes directrices, est réputé reçu par l'assureur auquel il est adressé. Brièvement, ces règles prévoient ce qui suit :

1. **Document sans pièce jointe** – est réputé reçu par l'assureur auquel il est adressé le jour où le bureau central de traitement établit que le document qui lui a été remis d'une manière précisée dans ces lignes directrices est dûment rempli et contient tous les renseignements dont l'AIAL exige l'inclusion.
2. **Document avec pièces jointes** – est réputé reçu par l'assureur auquel il est adressé quand :
  - (a) le bureau central de traitement établit que le document (à l'exclusion des pièces jointes) qui lui a été remis d'une manière précisée dans ces lignes directrices est dûment rempli et contient tous les renseignements dont l'AIAL exige l'inclusion; et
  - (b) l'assureur a reçu toutes les pièces jointes.

L'AIAL précise (par. 68 (7)) qu'un document remis au BCT par télécopie, en personne ou par voie électronique après 17 heures, heure normale de l'Est, est réputé remis le jour ouvrable suivant.

L'AIAL énonce également (par. 68 (3.5)) que le bureau central de traitement sera réputé avoir établi, le jour où un document lui a été remis d'une manière précisée dans les Lignes directrices, que le document est dûment rempli et contient tous les renseignements dont l'AIAL exige l'inclusion, sauf s'il avise l'expéditeur, d'une manière précisée dans les présentes Lignes directrices, que tel n'est pas le cas.

Aux fins du paragraphe 68 (3.5), le BCT doit aviser l'expéditeur d'une manière précisée au paragraphe 68 (2) de l'AIAL. Il peut également transmettre l'avis verbalement (par exemple, par téléphone ou message téléphonique) pourvu qu'une confirmation écrite soit donnée dans les plus brefs délais possibles d'une manière précisée au paragraphe 68 (2) de l'AIAL.

Tel que mentionné précédemment, l'AIAL précise également (par. 68 (3.2)) qu'un document visé par les présentes Lignes directrices est réputé reçu par un assureur uniquement s'il est remis d'une manière précisée dans celles-ci. Un document remis au BCT (soit directement ou par l'entremise de son centre de saisie des données) par un fournisseur participant non inscrit de même qu'un document papier remis au centre de saisie des données du BCT par un fournisseur participant avant le 7 janvier 2008 ne sont pas remis d'une manière précisée dans ces Lignes directrices et, par conséquent, sont réputés non remis à un assureur.

### Production des documents

Un document auquel les présentes Lignes directrices s'appliquent est réputé non dûment rempli et ne pas contenir tous les renseignements exigés par l'AIAL à moins que tous les champs (autres que les champs qui sont optionnels dans les circonstances indiquées sur le formulaire approuvé par le Surintendant des services financiers) ne soient remplis conformément aux présentes Lignes directrices.

L'information fournie dans un champ doit être conforme aux règles de validation énoncées à l'annexe 3 des présentes Lignes directrices.

L'information (p. ex. une date) doit être fournie selon le format précisé dans le formulaire, le cas échéant.

Si le document est remis en format papier, les champs remplis doivent être lisibles.

Toutes les pièces jointes doivent être lisibles.

### Codes à utiliser pour présenter les renseignements

Les renseignements suivants doivent être fournis à l'aide des codes précisés :

- Pour décrire les blessures et séquelles, les codes énumérés dans la 10<sup>e</sup> révision de la Classification statistique internationale des maladies et des problèmes de santé connexes (CIM-10-CA) maintenue à jour par l'Institut canadien d'information sur la santé et disponible à [www.cihi.ca](http://www.cihi.ca). Une version abrégée de la liste de codes de la CIM-10-CA, élaborée pour aider les intervenants du système d'assurance automobile de l'Ontario, est disponible à [www.hcaiinfo.ca](http://www.hcaiinfo.ca).
- Pour décrire les interventions en santé, les codes énumérés dans la Classification canadienne des interventions en santé (CCI) maintenue par l'Institut canadien d'information sur la santé et disponible à [www.cihi.ca](http://www.cihi.ca). ### Exigences s'appliquant aux assureurs

Un document dont la présentation au BCT est exigée par ces Lignes directrices doit être remis à celui-ci par voie électronique de manière à ce qu'il puisse le récupérer et le consulter.

Les renseignements concernant le traitement d'une facture mentionnés au paragraphe 44.1 (3) de l'AIAL doivent être fournis au BCT dans un délai d'au plus cinq jours ouvrables après que l'assureur participant a traité la facture.

Les renseignements concernant tout autre document visé par les présentes Lignes directrices mentionnés au paragraphe 68 (3.8) de l'AIAL doivent être fournis au BCT dans un délai d'au plus cinq jours ouvrables après que l'assureur participant a traité le document.

Les renseignements concernant la réception des pièces jointes mentionnés au paragraphe 68 (3.9) de l'AIAL doivent être fournis au BCT dans un délai d'au plus cinq jours ouvrables après que l'assureur participant a reçu la dernière pièce jointe.

Les échéances mentionnées précédemment n'ont aucun lien et ne doivent pas être confondues avec les échéances dont dispose un assureur pour traiter et commenter un document énoncées dans l'AIAL.

Un assureur participant inscrit (voir « Inscription des utilisateurs et des fournisseurs ») est autorisé à fournir des renseignements au BCT par voie électronique et à obtenir auprès de celui-ci des renseignements qui lui ont été remis par un fournisseur participant.

#### Inscription des utilisateurs et des fournisseurs

Avant de remettre des renseignements au BCT ou d'obtenir des renseignements du BCT, un fournisseur, un établissement ou un assureur participant doit s'inscrire auprès de celui-ci et accepter les conditions qu'il impose aux utilisateurs. Tel que mentionné précédemment, les fournisseurs et les établissements peuvent choisir de s'inscrire pour la présentation de documents papier ou pour la présentation de documents électroniques, mais ils ne peuvent s'inscrire pour ces deux modes de présentation en même temps. Les conditions imposées aux utilisateurs peuvent inclure des dispositions commercialement raisonnables se rapportant à des obligations touchant la confidentialité, la sécurité, la responsabilité, l'accès et l'intégrité des données.

#### Suspensions temporaires des Lignes directrices

Advenant que le BCT est incapable (p. ex. à cause de problèmes techniques temporaires) de s'acquitter adéquatement de ses obligations à l'égard des fournisseurs, des établissements ou des assureurs, le Surintendant des services financiers pourrait suspendre temporairement l'application des présentes Lignes directrices.

La Commission des services financiers de l'Ontario affichera un avis de suspension et de reprise de l'application de ces Lignes directrices sur son site Web ([www.fSCO.gov.on.ca](http://www.fSCO.gov.on.ca)).

Durant une suspension, les exigences des présentes Lignes directrices ne s'appliqueront pas et les documents devront être remis directement aux assureurs de la manière précisée au paragraphe 68 (2) de l'AIAL.

### Notice of Amendment to a Rule the Gas Distribution Access Rule Board File No: Eb-2007-0685

To: All Natural Gas Distributors  
All Licensed Natural Gas Marketers  
All Participants in Proceeding RP-2000-0001  
All Participants in Proceeding EB-2006-0198  
All Participants in Proceeding EB-2007-0685  
All Other Interested Parties

The Ontario Energy Board (the "Board") has today amended the Gas Distribution Access Rule (the "GDAR") as indicated below, pursuant to section 45 of the *Ontario Energy Board Act, 1998*. The Board is amending sections 1.4.1, 1.4.3 and 6.1.2.1 of the GDAR, as set out in Appendix A and described below.

### **Background**

On March 9, 2006, the GDAR was amended to defer to January 1, 2008 the requirement that gas distributors accommodate a bill-ready form of gas distributor-consolidated billing ("bill-ready DCB").

Further to input received from certain stakeholders, the Board subsequently directed Board staff to conduct inquiries and report back on the issue of whether the approach to bill-ready DCB should be revisited. Based on the results of those inquiries, the Board issued a Notice of Proposal on July 16, 2007 (the "July Notice") in which the Board proposed to amend the GDAR to eliminate the need for gas distributors to accommodate bill-ready DCB as of January 1, 2008. Instead, the Board proposed to treat bill-ready DCB in the same manner as split billing and gas vendor-consolidated billing. Specifically, a gas distributor would only be required to accommodate bill-ready DCB upon being requested to do so by a gas vendor. Such a request would trigger negotiations between the parties on the necessary amendments to the Electronic

Business Transactions (EBT) standards appendix to the Service Agreement and subsequent review and approval of those amendments by the Board.

The Board also proposed to amend section 1.4.1 of the GDAR to include a general provision to the effect that amendments to the GDAR come into force on the date on which they are published on the Board's website after having been made by the Board, except where expressly provided otherwise.

In the July Notice, the Board noted that the proposed amendments to the GDAR would, if adopted, trigger the need to amend the form of Service Agreement previously approved by the Board. The Board included, as an attachment to the July Notice, a description of the amendments to the Service Agreement and invited interested parties to comment on those amendments as part of their filing in response to the July Notice.

The Board received five submissions in response to the July Notice, three from gas distributors and two from gas vendors. No submission opposed the proposed amendment to section 1.4.1 of the GDAR.

The proposed amendments to sections 1.4.3 and 6.1.2.1 of the GDAR were supported by all three gas distributors. One gas distributor suggested that any request for bill-ready DCB should trigger the development, through the EBT Standards Working Group, of a generic standard that would be applicable to the industry as a whole. Another gas distributor noted that functionality for bill-ready DCB could not be made available for at least

twelve months after the service requirements have been determined through consultation with the industry. None of the gas distributors offered comments on the amendments to the Service Agreement.

One gas vendor suggested that the proposed amendments to the GDAR be modified to require that gas distributors develop, implement and test the bill-ready DCB system within 12 months after receiving a request for this billing option. This gas vendor echoed the suggestion that all gas vendors and gas distributors be required to participate in the EBT standards design process once a request had been made for bill-ready DCB, and further proposed that the GDAR be amended to include this requirement. This gas vendor also proposed that meetings of the EBT Standards Working Group be initiated in the coming months to determine guiding principles for the bill-ready DCB option, as a number of issues remain unresolved and gas vendors therefore cannot currently properly evaluate the option.

The other gas vendor agreed that implementation of bill-ready DCB needs to be deferred, but proposed that the Board defer a decision on how that option should be treated until gas vendors have a clearer understanding of how bill-ready DCB service will be made available by gas distributors. That gas vendor therefore proposed that, rather than treating bill-ready DCB in the same manner as split billing and gas vendor-consolidated billing, the Board should amend the GDAR to specify that gas distributors be required to accommodate bill-ready DCB on a date to be determined by the Board. In the interim, the Board should direct Board staff to conduct a review with all gas

vendors and gas distributors to clarify the concept and main operating rules around the billing option, determine the level of gas vendor commitment to the option and identify an appropriate time frame for implementation of the option. Consistent with this approach, this gas vendor proposed that the Board not amend the Service Agreement other than amending the definition of "Bill-ready Date" such that it refers to "a date determined by the Board". This gas vendor also recommended that any changes to the Service Agreement should be made only to the standard form as it is not necessary for parties to be put to the expense of amending and re-signing existing agreements. Rather, any amendments could be integrated when the parties renew or enter into a new agreement.

### **Adoption of Amendments to the GDAR**

The Board has considered the submissions received in response to the July Notice, and has determined that no changes need to be made relative to the GDAR amendments as originally proposed. The amendments to the GDAR as adopted by the Board are set out in Appendix A to this Notice.

All of the submissions received in response to the July Notice acknowledge the need to amend the GDAR to eliminate the current reference to January 1, 2008 and, with one exception, are also supportive of treating bill-ready DCB in the same manner as split billing and gas vendor-consolidated billing. The Board remains of the view that this is the preferred approach. It provides greater regulatory certainty to the industry than does the proposal to defer implementation to an unascertained future date to be determined by the Board. It is also the approach that has the greatest potential to avoid costs being incurred to accommodate a billing option that gas vendors may ultimately decide not to pursue.

The Board acknowledges the concerns expressed about the absence of a common understanding as to the nature of the bill-ready DCB service to be offered by gas distributors. The Board notes that some efforts have already been devoted to this issue through the EBT Standards Working Group, and will direct Board staff to organize further meetings with a view to resolving outstanding service parameter issues in a timely manner. The Board agrees that a single, industry-wide set of EBT standards should be developed in relation to bill-ready DCB as and when a request is made for that option by a gas vendor, but does not believe it is necessary to codify this objective in the GDAR at this time. Once notified that a request for the billing option has been made, the Board will direct Board staff to facilitate the development of the necessary common EBT standards. The Board expects that all gas vendors and gas distributors will participate in this exercise and work together in good faith as they have done in the past. Implementation timelines can be addressed by the participants at that time. The Board will consider taking a more prescriptive approach if that should become necessary to ensure that the EBT standards are developed, implemented and tested within a reasonable timeframe.

**Coming Into Force**

In the July Notice, the Board indicated that the amendments to the GDAR set out in Appendix A will come into force when they are posted on the Board's website. The Board also indicated that it did not intend to post the amendments until it has adopted any necessary associated amendments to the Service Agreement. The Board has today, under separate cover, given notice of the adoption of those amendments.

This Notice, including the amendments to the GDAR, all other Board documents referred to in this Notice (including the GDAR) and all submissions received in response to the July Notice are available for inspection on the Board's website at [www.ceb.gov.on.ca](http://www.ceb.gov.on.ca) and at the office of the Board during normal business hours.

If you have any questions regarding the GDAR amendments, please contact Russ Houldin, Senior Advisor, Compliance Office, at 416-440-8112, or toll-free at 1-888-632-6273.
